### **Tesla: Complete Vehicle Purchase/Lease Agreement**

#### Have you purchased or leased your vehicle?

For Tesla vehicles and other vehicles ordered without a standard lease/purchase agreement, the date of first registration with the California DMV is considered the date of purchase or lease. If you applied before the first date of your Tesla vehicle registration, please contact us to cancel this early application. Applicants will need to re-apply if an application is submitted before this date.

- Lease Agreement: There is only one option for submitting a complete lease agreement. Please see an example on page 6.
- **Purchase Agreement:** There are several options of combined documents that are acceptable as a complete, legible purchase agreement. Please see the table below. We do not accept Pro-Forma documents or Estimated Price Sheets.
