

# CVRP Rebate Now

## SAMPLE ITEMIZATIONS ON PURCHASE/LEASE AGREEMENTS

The purpose of this document is to illustrate where the dealership needs to list and itemize CVRP Rebate Now on the purchase/lease contract. The rebate must be listed in the down payment (line 6F of the 553-CA form or equivalent) and referred to as CVRP or CVRP Rebate Now with the rebate amount clearly shown. If multiple incentives are listed on the same line, be sure to clearly indicate the exact amount for each incentive.

If the rebate is listed on the wrong line, the application will be rejected. **The rebate is NOT to be listed as a cash credit or factory rebate. If the rebate is listed as such, during an audit or lawsuit, it will cause legal issues.**

Please see the following examples. If you are still unsure, please contact us immediately before the deal is typed. If you would like us to look at your contracts and advise you on where to list CVRP Rebate Now, email a blank contract to [dealership@energycenter.org](mailto:dealership@energycenter.org) or call us at 866-926-2877.
